PRIVATE LABEL

PARTNER IN SNACK MANUFACTURING

VEST is a Czech family-owned company founded in 1996 and a recognised European producer of savoury snacks. With 30 years of experience and around 60 employees, the company specialises in private label production for international customers.

Večerka Family • Founders: Stanislav, Jana, Daniela, Kamil Večerka

Since 2022, the company has significantly expanded its production and storage capacities and currently operates three modern, fully automated production lines with a monthly capacity of approximately 1,000 tonnes of baked products.

The product range includes salted sticks, crackers in various shapes and flavours, pretzels, flat pretzels, twisted sticks, and baked potato chips.

The company supplies customers across Europe and cooperates with partners worldwide. Thanks to high-quality EU ingredients, strong technical know-how, and a flexible approach, VEST is a reliable partner for tailor-made private label solutions.

Quality and food safety are key priorities. The company operates in accordance with the HACCP system and holds IFS certification at Higher Level. Its commitment to high social standards is further demonstrated by a successfully completed SMETA audit.
